Wi-Fi Smart Peephole doorbell

## Introduction

The EZVIZ DP2C is a FHD 1080P wire-free smart peephole camera with human detection function. After the installation of it in the main entrance of property, you can live view the camera to see what's happening outside the door via the screen or via the EZVIZ APP. When the visitor comes and press the bell button, the built-in chime will ring out, meanwhile a video call will push to your EZVIZ app to allow live view and two-way audio.
