

DURACELL ALKALINE BATTERIES

The alkaline battery system is the first choice for most high performance applications. Duracell offers long shelf life (nominally four years) and corrosion free construction together with high reliability. Mercury content is now reduced.

Type	Size	Voltage	Dimensions (max) (mm)	Pack Qty.	Physically interchange with
MN1500	AA	1.5	14.5(diam.) × 50.5(h)	4	HP7, R6, LR6, UM3
MN2400	AAA	1.5	10.5(diam.) × 44.5(h)	4	HP16, RO3, LR3, UM4
MN1400	C	1.5	26.2(diam.) × 50.0(h)	2	HP11, R14, LR14, UM2
MN1300	D	1.5	34.2(diam.) × 61.5(h)	2	HP2, R20, LR20, UM1
